

Stewart's right: The media should do a better job

Jon Stewart's rally to restore sanity turned into a rally against cable news media. The media are still trying to figure out how to react. Some are upset. Keith Olbermann claimed that Stewart "jumped the shark". The *New York Times* called Stewart a political activist. The right barely noticed. But if you pay attention to the media reaction to Stewart, you get the feeling that the media aren't happy.
