

# Anybody here seen America's far left? The New York Times has!

BY GEORGE SALAMON / What an enticing headline the New York Times featured on Page 1 Sept. 30: "Warren is Now Hot Ticket On the Far Left." The story, written by Jonathan Martin, told readers how Massachusetts Sen. Elizabeth Warren has become the darling and favorite for the Democratic presidential nomination in 2016 among America's "far left," and thus a threat to the party's centrist front-runner, Hillary Clinton.
